PAYMENT OF FEES

1. The School is dependent on the prompt payment of fees.
2. The required method of payment is by debit order or annually in advance.
3. There is no discount for paying annually in advance.
4. Bank accounts will be debited on the 28th of each month or closest business day.
5. The first debit order run will be at the end of January 2012.
6. The monthly Debit Order will include predictable (annual) extras in order to avoid constantly changing the amount. (Casual Aftercare and extra lessons are too difficult to predict, and will therefore be the exception).

NON PAYMENT OF FEES

In the event of payment not being made within the prescribed period:

- The balance of the annual fee outstanding shall immediately become due and payable and no indulgence or grant of time by St George's Grammar School shall be deemed a waiver of its rights.
- The Headmaster shall have the right to prevent the learner from attending school until such time as all outstanding fees have been paid.

- Should the fees remain unpaid, the Headmaster shall have the right to fill the learner's place without prejudice to the claim of fees in lieu of notice.
- Please note: It is school policy that no learner is permitted to go on a school tour (e.g. Round Square, Festivals, etc.) unless the fee account is current. The Fees Office will provide a *Fee Clearance Certificate* before travel arrangements can be made.

WITHDRAWAL

- A full term's notice is to be given (in writing) to the Headmaster, whether such notice is to be effective during the currency of a school year, or whether the notice is in respect of a withdrawal at the end of any school year. If such notice is not given, a full term's fees will be charged in lieu of such written notice.
